

"Money and more" surpassed one million page impressions in 30 days

May 4, 2020 | In the 30 days to May 4, the weblog "Money and more" registered more than 1 million page impressions for the first time. In the same 30 days, the number of unique visitors was 238.000. Most of the visitors are reading the blogposts in German, but I am hoping to attract more international readers over time. Thank you very much for your interest and your trust in my comments and analysis.
